

RNA NUCLEOTIDES for Biolab, Chapter 13  
(reproduce 2 copies per student)

Copy these onto white paper and have students color the models with colored pencils—a different color for each nucleotide.

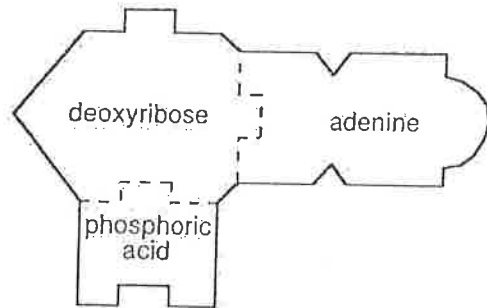

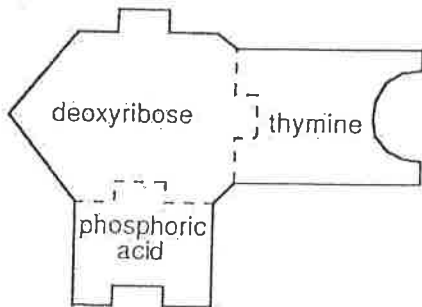

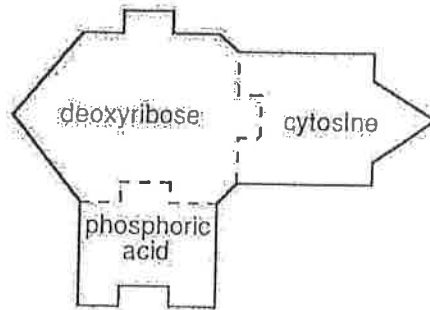

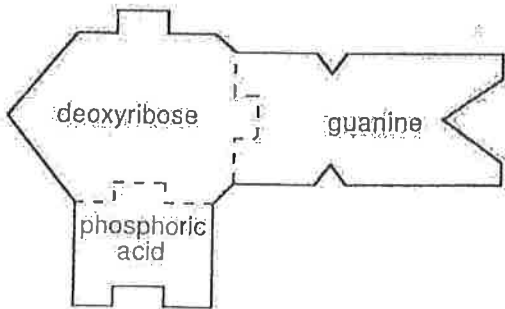

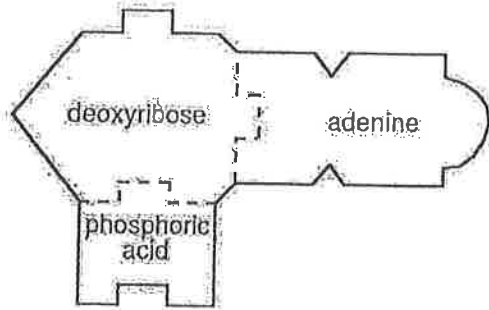

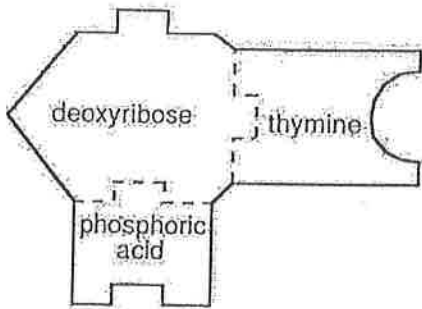

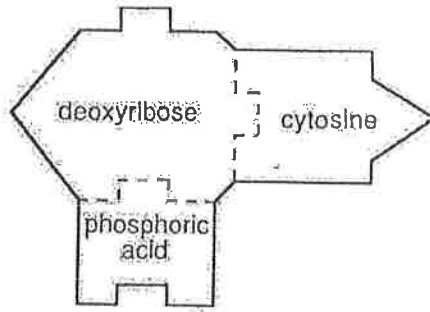

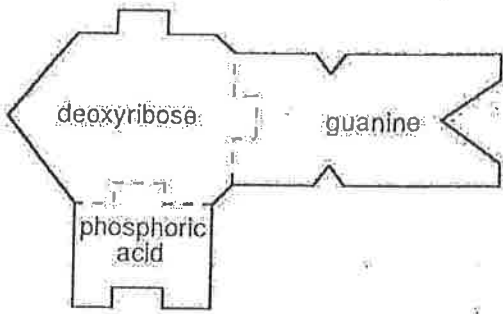

RNA NUCLEOTIDES for Biolab, Chapter 13  
(reproduce 2 copies per student)

Copy these onto white paper and have students color the models with colored pencils—a different color for each nucleotide.

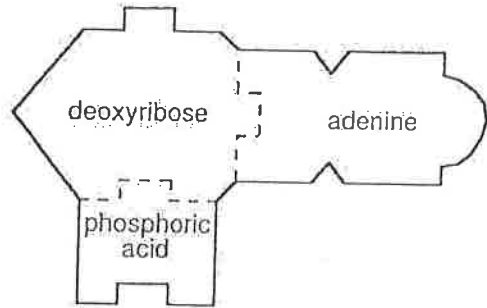

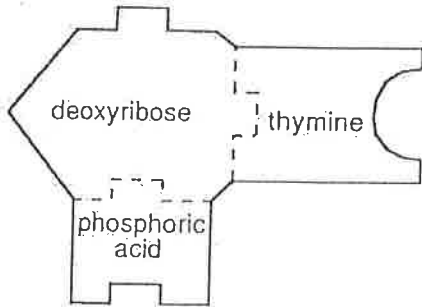

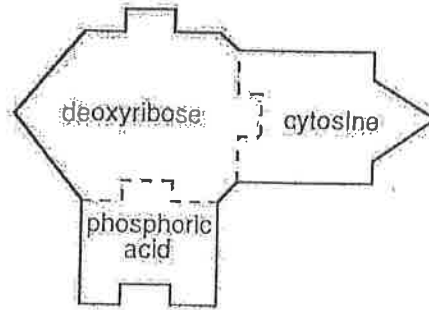

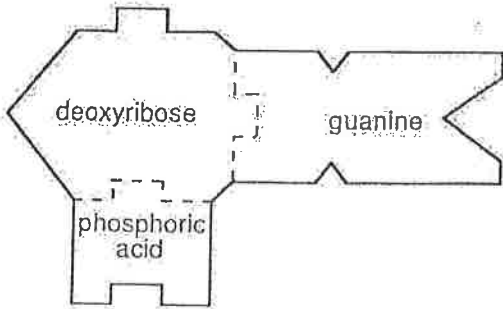

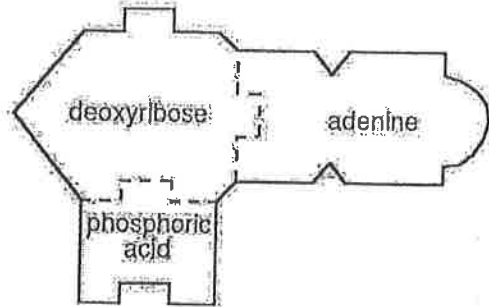

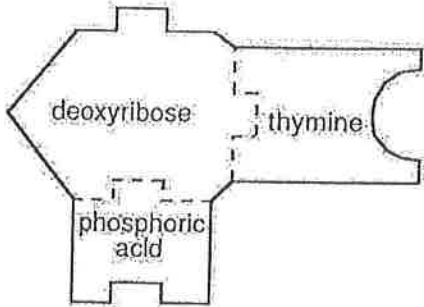

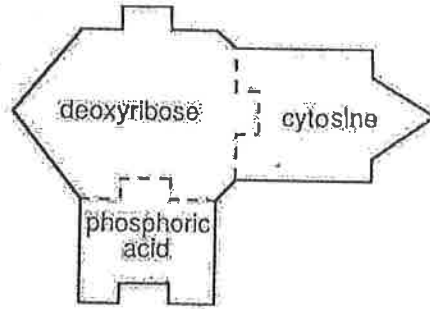

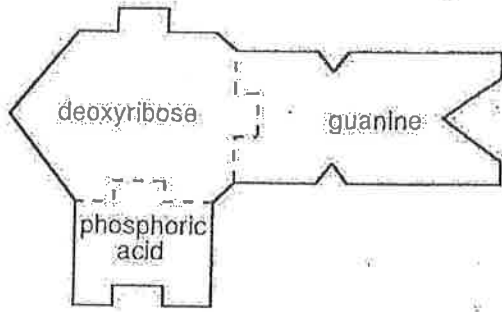

DNA NUCLEOTIDES for Biolab, Chapter 13  
(reproduce 4 copies per student)

Copy these onto white paper and have students color the models with colored pencils—a different color for each nucleotide.
